FISCAL NOTE ANALYSIS

STATE OF ALASKA
2017 LEGISLATIVE SESSION

BILL NO. SB 51

Analysis

SB 51 extends the statutory authority for the Board of Veterinary Examiners through June 30, 2025. Adoption of the bill will continue existing activities by the board and administration by the division. Failure to adopt the bill would result in a one-year wind-down of the board in FY2018, resulting in the division assuming the licensing responsibilities in FY2019.

If the bill passes the following expenses will be incurred:

Travel: \$3.3 (one staff and five board members to attend two board meetings per year)
Services: \$0.2 (advertising of public notice of board meetings)
\$0.1 (honorarium/stipend for board meetings)

Professional licensing programs within the Division of Corporations, Business and Professional Licensing are funded by Receipt Supported Services, fund source 1156 Rcpt Svcs (DGF). Licensing fees for each occupation are set per AS 08.01.065 so the total amount of revenue collected approximately equals the occupation's actual regulatory costs.
